2. Shepherding

A. NCPC Revitalization (p. 5)

1. Will resume this discussion in May.
2. Consider these questions together:
 - In your opinion, are there symptoms of a decline present in your church, and, if so, what are they?
 - As leaders in your church, are you completely committed to the principle that church health is the objective and church growth is only a consequence? Why or why not?
 - Our church leadership understands and embraces the present need to lead our congregation to spiritual health and vitality.
